

ATTORNEY DOCKET: AUS920010467US1

PATENT

Section I: AMENDMENTS TO THE SPECIFICATION

Please substitute the following paragraph for the middle paragraph on page 11 of the application:

-- The transactional flow between the user and the library in the present example, is illustrated in ~~Figure 6~~ Figure 7. After the user receives the smart card from the library 701, the card is enabled with general library policies 703 and custom policies related to the individual 705 and the smart card is then ready for use to check out approved items 707. --
